Dorothy Lind, First Vice President, presided in the absence of Chapter President Kristi Kingren. Mrs. Lind introduced the speaker – Scott Stephens, Director of Development for Generations LaGarde – a home for sexually abused boys. Mr. Stephens told the group about the help these boys receive at Generations and the 98% success rate of this home. There are currently 75 boys living on the campuses and the average length of stay is 24 months. The objective of the home is safety for the boys. Generations Group is in partnership with Cornell University.
