

Agenda 2030: The Root of America's Economic Problems

Published: Wednesday, 30 March 2022 09:55

By Paul Dragu - The New American

In this spellbinding interview, Paul discusses with leading Agenda 2030 expert Tom DeWeese how this nefarious global master plan is being implemented, the lie that Agenda 2030 has no binding power, examples of how “green” measures are actually worse for the environment, and how communities have and should push back against this plan for global totalitarian government.
